Recycling Facilities by Shop

Argos

Batteries and Brita Water Filters

They offer various recycling services when purchasing a new item such as: appliances, mattresses, furniture etc. Check details here....

<https://help.argos.co.uk/help/installation/installrecycle>

Boots

Blister packs and Plastics: beauty, health and wellness items etc. NB: All brands

In Hamilton Road Boots, the blister pack recycling box is near the pharmacy counter and the plastics box is by the entrance. If you wish, you can register an account in the Recycle-at-Boots app and receive Advantage points for recycling items. See here for details...

<https://boots.scan2recycle.com>

CEX

Will buy and resell/reuse old phones

Crescent Road Car Park

Glass

Shoes, clothes and handbags (in aid of Firefighters Charity)

EE

They'll recycle your old phones even if they're not working. Details here....

<https://ee.co.uk/help/orders/disposing-of-your-old-electronic-equipment>

Felixstowe Library

They have a bin to recycle printer cartridges and any money generated is used to support their charity work.

Felixstowe Recycling Centre (Carr Road)

Recycling Centres currently accepting the following items for reuse:

TVs, Monitors, PCs, Sky boxes, DVD players, Consoles, Laptops, Audio, Power Tools, Bikes, Dyson's, Henrys, Mowers and Strimmers. Please donate items in the orange re-use containers on site.

NB: You need to book an appointment

Hughes

They'll arrange for old televisions & appliances to be removed and recycled when delivering a new product but charge £25. More details here.... www.hughes.co.uk/recycling

Lidl (Langer Road)

Nationally Lidl offers many recycling facilities including a pilot scheme where customers receive money off their shopping for returning plastic bottles. However, in this branch, all they offer is recycling of batteries.

<https://corporate.lidl.co.uk/sustainability/plastics>

Morrisons

In Morrison's car park there are recycling bins for glass and clean shoes & clothing. There are also four electric vehicle charging points.

Inside the shop behind the checkouts are facilities to recycle plastic bags, plastic wrappers, crisp packets, and sweet wrappers - All things you can't put in your blue bin. You will also find bins here to recycle coffee pods, printer cartridges, disposable vapes and batteries. More details here...

www.morrisons.com/help/in-store-experience/in-store-services

Poundland
