PRAY WITH US

Please pray...

- For unity among churches across Peru.
- For our Prayer and Mission Base to remain a place of powerful encounters with God.
- For open doors to reach those who are vulnerable and forgotten.
- For wisdom, provision and the people needed to sustain and grow this work.

PARTNER WITH US

We believe God is inviting people from across the world to be part of what He is doing in Peru. Whether through prayer, financial support, volunteering or joining a mission team, your partnership helps us bring hope to vulnerable communities, equip local churches and create spaces where lives can be transformed through prayer, mission and justice. Together, we can be part of seeing God's love reach across Peru and beyond.

UK donations can be made through the charity Stewardship

US donations can be made through "Mission Funds in Full" by sending them a cheque. Please give towards "Oracion 24-7" our registered charity name in Peru.

Or email us

to give directly to our registered charity here in Peru

24-7 PRAYER PERU

Prayer fuelling Mission and Justice

Prayer and Mission Base

Overlooking the beautiful city of Cusco, our Prayer and Mission Base is home to the first permanent 24-7 Prayer Room in South America. It is a place where people come to encounter God, be refreshed and equipped, and discover how prayer can transform lives. Through daily rhythms of prayer, retreats, worship, workshops and gatherings, we seek to inspire a growing movement of prayer that reaches far beyond the mountainside.

Street Prayer

Every week, we take prayer beyond the walls of the Church and onto the streets of Cusco. Walking through neighbourhoods and communities, we listen, pray, build relationships and look for opportunities to share God's love. Through simple acts of faith and kindness, we have witnessed beautiful testimonies of hope, healing and lives touched by God.

Seen by God

Through the relationships we have built, God continues to open doors into places of vulnerability and need. From caring for babies in a local orphanage and encouraging girls who have experienced abuse, to supporting children with disabilities and additional needs, we seek to remind those who are often hurting or overlooked that they are seen, known and deeply loved by God. We believe even the simplest acts of kindness can communicate His extraordinary love.

In Schools

Across Peru, we are bringing creative and interactive prayer spaces into schools, giving children and young people opportunities to explore faith, reflect and encounter God for themselves. Through creativity, conversation and prayer, we seek to inspire a new generation to discover their worth, find their voice and recognise that their lives have purpose.

Mission

We welcome volunteers and mission teams from around the world to join us in serving the people of Peru. Through prayer, practical outreach and working alongside local churches, we have seen how a simple willingness to say "yes" to God can make a lasting difference. Our heart is to see people equipped and inspired to carry a lifestyle of prayer and mission back into their own communities.
