Stories of Hope

“Come, let us go up to the mountain of the Lord… There He will teach us His ways… For His word will go out.” — Micah 4:2

During June and July we are welcoming 2 mission teams, 8 volunteers (from the UK, USA and Peru), and visitors from many nations to the Prayer Mountain - in fact a few weeks ago we had every continent represented in the prayer room. Together we seek God’s presence, learn His ways, and then go out into the streets, schools, and children’s homes of Cusco.

We continue to see God moving through salvation, healing, restored hope, and countless opportunities to share His love. Thank You, Jesus, that Your Kingdom continues to go out from this mountain into the city, Peru, and the nations.

It’s such a joy to learn together and serve together.

One of the most exciting things is seeing missionaries and volunteers leave inspired to put into practice what they’ve experienced here. One of our mission teams is already planning to begin praying on the streets in their own town, encouraging others to step beyond the walls of the church and share the love of Jesus with their community.

We love seeing prayer and mission multiply!

Disciples making Disciples

Emerson

2022

2026

Over four years ago, while prayer walking through the streets of Peru, our 24-7 Prayer Peru team met Emerson, a local street seller. We prayed with him, built a friendship over several years, and shared the Gospel—but at the time, he wasn't ready to receive Jesus.

Then, after more than two years without seeing him, we unexpectedly met again.

As we were sharing the Gospel with another street seller named Daniel, Emerson walked over. To our amazement, he told us that he had given his life to Jesus and that knowing Christ had completely transformed him. Then, with love and boldness, Emerson began encouraging his friend Daniel to follow Jesus too.

That day, Daniel surrendered his life to Christ.

The following week, Emerson joined us for prayer walking. We met another of his street seller friends, Carlos, and once again Emerson shared how Jesus had changed his life. This time, Carlos also gave his life to Jesus.

This is the Kingdom of God in action: lives transformed, disciples making disciples, and the Good News spreading from one person to another.

Please pray for Emerson, Daniel, and Carlos as they continue to grow in their faith and become witnesses of Jesus to those around them.

"Go into all the world and preach the Good News to everyone." — Mark 16:15

Reggina

She first visited the Prayer Mountain in 2025 and experienced one of our creative 24-7 Prayer rooms. God met her in such a powerful way that she left with a clear sense of calling.

A year later, she made a bold decision. She left everything in her hometown and came to serve with us on the Prayer Mountain in Cusco, saying:

“I want to learn all that I can about prayer, mission, and justice through 24-7 Prayer.”

For a month, Reggina immersed herself in a rhythm of prayer, worship, mission, and learning. Together we prayed, served our city, and sought God’s heart.

Then she returned home.

Today, she has established Trujillo’s very first 24-7 Prayer room. She is building relationships with schools and children’s homes, and is preparing to lead street prayer training so that even more people can share the love of Jesus in practical ways.

This is exactly the vision of Micah 4:2 in action: people coming up the mountain to encounter God, being taught His ways, and then being sent out so that His Word and His Kingdom reach cities across Peru.

Please pray for Reggina as she leads this growing work in Trujillo. May this be just the beginning of all God wants to do through her.

Meanwhile, in the Amazon jungle...

A young lady called Elizabeth set up a 24-7 Prayer Room as part of a local medical outreach, giving people of all ages the opportunity to encounter the living Jesus, in the jungle city of Iquitos.

After experiencing several of our creative 24-7 Prayer Rooms at festivals in Peru and receiving training and support from our team, she felt equipped and confident to create her own.

We love seeing people take what they've learned and create spaces where others can meet with God. From the mountains to the Amazon, His Kingdom continues to spread across Peru.

FAMILY UPDATE

Faith recently travelled to Lima to compete in a regional gymnastics competition. She has been training incredibly hard alongside her theatre classes and studies, and we're so proud of how she did. Faith won Silver overall in her category, taking Gold on both the beam and floor, and Silver on vault. She also earned enough points to qualify for the National Elite Championship in December.

After much prayer and consideration, Faith has decided not to return to Peruvian school for the coming term so that she can focus on preparing for her iGCSE exams in October. It has been such an answer to prayer that we found a school in Lima where she will be able to sit these exams.

Emma is continuing at Peruvian school and has recently joined the school volleyball team. Training and matches start at 5:00 a.m. twice a week—a commitment she's embraced with great enthusiasm! She has also become a regular part of our street prayer teams, using her growing confidence in Spanish to help translate between Spanish and English.

Finally, the Taylor family zoo has grown once again! We're delighted to introduce our newest furry family member... Pixie!

Please pray with us...

- **Praise God for the many people who are encountering Jesus through street prayer, prayer rooms, mission teams and volunteers, and local outreach across Cusco and Peru.**
- **Pray for lasting fruit from every conversation, prayer, and Gospel encounter—that those who heard the Good News would continue seeking Jesus and become part of healthy local churches.**
- **Pray for the growing network of 24-7 Prayer Peru. Ask God to strengthen and encourage leaders as more prayer rooms, street prayer teams, and local initiatives begin to expand across the country.**
- **Pray for the Prayer Mountain as we continue to welcome teams, churches, and individuals. Ask that it would remain a place where people encounter God's presence, hear His voice, and are equipped to Go and live lives of prayer and mission.**
- **Pray for mission teams and volunteers returning home—that they would continue living lives of prayer, boldly sharing Jesus, and encouraging others to step outside the walls of the church.**
- **Pray for Peru. Following the recent election period, pray for wisdom, integrity, and peace for those in leadership, and that the Church would be united in bringing hope to communities across the nation.**
- **Pray for our family. Give thanks for Faith's qualification for the National Gymnastics Championships and pray for her as she prepares for her iGCSE exams. Pray for Emma as she balances school, volleyball, homework and serving with our street prayer teams. Pray too for continued strength, wisdom, and joy for us as a family as we serve the Lord together.**

If you would like to give towards the work of 24-7 PRAYER PERU then please follow the instructions below.
